Pro tella

Joe & Gerry's

Nutritious and healthy snack with chocolate

Original

Chocolate spread with protein and without sugar, traditionally made.

HIGH IN PROTEIN
PALM OIL FREE
0% ADDED SUGAR

pro tella

Chocolate spread with protein and without sugar, traditionally made.

What makes us different

Delicious Rings of chocolate style "Pink" with birutas, to delight the palate at any time. They are traditionally made, with love and faking into account every detail. Our goal was to create an incredibly delicious product without sugar, without palm oil and with a high protein content.

HIGH IN PROTEIN
PALM OIL FREE
0% ADDED SUGAR

New protein Crunchies

VEGETARIANS

Vegetable proteins

Delicious protein peas and rice balls chocolate coated with sugar free

Peas
Rich in protein, carbohydrates, fiber and minerals. Source of vitamins and folic acid. This legume does not provide fat and has very few calories, so it is highly recommended in diets. The fiber also helps with weight control.

Rice
Immediate source of energy for the body due to its high carbohydrate content. With a unique nutritional value, high in minerals, calcium and iron. Rich in Vitamins. Ideal for people who want to lose weight.
